Mr. Bart Taylor

Principal's Corner April

Parents and Community!

We can not begin to thank you enough for your support and help at COMCAST CARES DAY! Comcast themselves were amazed at the number of people who showed up to help clean, paint, and repair Jamestown Elementary School. They said that it was one of, if not the very best turn-out for volunteer support they have ever seen! Thank you, Comcast for all you have done for us. A special thank you to Sean Wells for nominating Jamestown School for this special opportunity.

The year is flying past. We only have a few weeks left, but each and every day is significant. One day of education missed represents a huge loss to your child's education, growth, and progress. Please have them attend each and every day. Encourage and talk through their very best attitude and behavior. As we enter into the fun of the end of the year, it will only be fun and rewarding for them if they maintain their good attitude and behavior.

April 24 through May 22 (including make-ups) is our window of time for doing our State-CAASPP, CAA, CAST Testing for grades 3-8. Students appear to be putting in their best effort which is significant. How well they demonstrate their true abilities and aptitudes helps us provide the very best education possible for each child. Please make sure your child is getting the proper nutrition, rest, and encouragement during this time.

Please take a moment to review the handbook to review proper dress, attitude, and behavior with your child so that we can finish the year successfully. Thank you for your support, help, and involvement.

Bart Taylor

REMINDER...
Incoming 7th Graders:
You must have your whooping cough vaccine to get your class placement

First Day of School 8/22/18

No Shots? No Records? No School.

Children will not be enrolled
unless an immunization record
is presented and
immunizations are up-to-date.*

**If your child is unimmunized due to medical reasons, please notify us.*

Go to **ShotsForSchool.org** to access information about immunization requirements, an interactive school look-up tool, implementation materials for schools, and educational materials for parents.  **ShotsforSchool.org**

Summer Reading Skills

PROGRAMS

Individualized programs include engaging online instruction, independent reading in great books, and a skilled and encouraging teacher.

UNIVERSITY OF THE
PACIFIC
University College

Phonics
Fluency

Comprehension
Love of Reading
Textbook Skills
Speed Reading

Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Your child will be excited about reading and get off to a great start in first grade.

Program for Entering 2nd Graders

In this fun summer program, your child will become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will gain confidence, be excited about books and reading, and get off to a great start in second grade.

Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, fluent reader. Children develop long-word decoding skills, reading fluency, and excellent comprehension. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in third grade.

Program for Entering 4th Graders

Program for Entering 5th Graders

In these fun and effective programs, your child will become a skilled, enthusiastic reader. Students develop strong comprehension skills in fiction, non-fiction, and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly. Your child will complete homework more quickly and easily, be more successful in school, and develop a lifelong love of reading.

Program for Entering 6th-8th Graders

Program for Entering 9th-12th Graders

In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension and learn to read twice as fast. Students learn the best way to take notes, study for tests, and read fiction, non-fiction, and textbooks. Your student will complete homework more quickly and easily, get better grades, and enjoy reading more.
