

Jamestown Elementary School
School Accountability Report Card
Reported Using Data from the 2017-18 School Year
Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Community & School Profile

Jamestown School District was established in 1855. Jamestown School is nestled in the foothills of California's gold country. Jamestown School District is proud of their highly trained and respected staff who provide quality instructional experiences along with the utilization of regulation strategies and trauma informed approaches for Jamestown's children. The school includes a library, an art studio/room, a science lab, 1:1 technology for all students, a gymnasium/cafeteria, a reading intervention support room, a Safe School Ambassador to teach social skills and promote positive behaviors and counseling services available through an on site school counselor four days a week. The district is proud to have partnerships with local community agencies that support a full and comprehensive education for Jamestown students, including a English/Spanish Dual Immersion Program for students in grades kindergarten to 4th grades and a Early Head Start Toddler Center.

The District operates an After School Academy on two campuses and the Jamestown Family Resource Center, connected to the Jamestown School campus. Students enjoy an elementary sports program, and after school club opportunities such as robotics. Band and classroom music as well as visual arts are taught by credentialed specialist teachers.

In the 2017-18 school year, Jamestown Elementary School served 334 students in grades Transitional Kindergarten through eight.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: June 13, 2018

Jamestown School District held a Public Hearing on 10-10-18 and determined that each school within the district has sufficient and good quality textbooks or instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects of math, English Language Arts, science, and history/social science, for use in the classroom and to take home. Textbooks in all subject areas are aligned with the California State Content Standards and Frameworks and are selected from the state’s most recent list of standards-based materials. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Jamestown School District takes special pride in the safety, adequacy, and cleanliness of its facilities.

Most of the school was built in 1954. There are a number of portables, the majority of which were installed when class size reduction was implemented in 1996. Playground equipment consists of tetherball standards, a swing set with four swings, four and one-half full-size basketball courts, and a giant multi-use toy. Kindergarten classes use a separate fenced facility with a swing set, merry-go round, and a small multi-use toy. All toys are maintained in safe and proper condition meeting all safety and compliance regulations.

A team of custodians ensures classrooms, restrooms, the cafeteria, and campus grounds are kept clean and safe. Classrooms are cleaned on a daily basis. Restrooms are cleaned thoroughly at the end of each day, and at mid-day a custodian checks the supplies and general condition of each restroom. More thorough cleaning and major facility updates take place during the summer months. The school’s campus is inspected regularly and school maintenance workers repair any unsafe conditions. Facility inspection reports are presented to the Board of Trustees and maintained in the school district office for review. Recent completed facility projects include the repair of fencing, a new parking lot, replacement of the supply room sliding door, three rooms carpeted and new school office flooring, and handrails added to the district office stairs. Maintenance repairs scheduled for Jamestown Elementary for the 2018-19 school year include gutter repair, ramp, siding and trim repair, and carpet replacement in one room. Through the Prop 39 Energy Efficiency amendment, new lighting, insulation and ceiling tiles will be installed during the summer of 2019.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	32.0	34.0	36.0	37.0	48.0	50.0
Mathematics (grades 3-8 and 11)	21.0	27.0	24.0	30.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	162	161	99.38	34.16

English Learners	29	28	96.55	17.86
Students with Disabilities	22	21	95.45	4.76

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are invited and always welcome to assist the school. The following are examples of how they might become involved:

Parent-Teacher conferences are held in the first trimester and are available at any time based on student need or parent interest. Parents are invited to bring their children to a “fun” family events throughout the school year. There are two Parent Resource Centers with internet, one located at the Jamestown Family Resource Center and another in the school library.

For more information about how to become involved with Jamestown School, please contact the Principal at 984-5217 X 3150 or the PTO at 984-5217 X 3152.

School Safety Plan (School Year 2018-19)

Jamestown School District's Comprehensive District Safety Plan addresses disaster procedures, safe ingress and egress, and overall safety of the school campus. Appropriate maps showing evacuation routes and collection sites are included. The plan also contains board policies and administrative regulations about child abuse reporting, teacher notification procedures, sexual harassment procedures, dress code, and school rules. The plan was last updated and Board approved in November 2018 and is reviewed annually. Jamestown Elementary also has an Emergency Procedures Plan which contains disaster procedures for specific emergencies. It was also updated in November 2018.

Professional Development (Most Recent Three Years)

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year. They share their experience and knowledge with colleagues. The district annually dedicates the equivalent of three days to staff development, weekly early release days for staff development and grade level collaboration along with Response to Intervention (RtI) meetings with staff to analyze student academic performance and interventions, and provides teachers and other staff work release days to attend trainings related to curriculum and instruction development and the implementation of district goals. Professional development is also tied to LCAP goals and objectives. For the 2017-18 school year the district contracted with a behavioral specialist for individual in-class coaching and mentoring for specific student behavior needs and classroom environment strategies and this is continuing into the 2018-19 school year. Support for teachers is implemented through in class observations and coaching, meetings with the principal. New teachers are paired with a teacher mentor.
