

Interdistrict Attendance

BP 5117

Students

The Governing Board recognizes that students who reside in one district may choose to attend school in another district and that such choices are made for a variety of reasons.

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district for a term not to exceed 5 years, for the interdistrict attendance of students who are residents of the district.

Upon request by students' parents/guardians, the Superintendent or designee may approve interdistrict attendance permits with other districts on a case-by-case basis to meet individual student needs, subject to the terms and conditions of the interdistrict attendance agreement.

The Superintendent or designee shall ensure that interdistrict permits specify the terms and conditions agreed to by both districts for the granting, denial, or revocation of the permit as well as the standards for reapplication.

The Superintendent or designee may deny the granting of an interdistrict attendance permit because of overcrowding within district schools or limited district resources.

Transportation

The district shall not provide transportation outside any school attendance area. Upon request, the Superintendent or designee may authorize transportation for students living outside an attendance area to and from designated bus stops within the attendance area if space is available. Priority for such transportation shall be based on demonstrated financial need.

Limits on Student Transfers out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education

Code 48307)

A child of an active military duty parent/guardian shall not be prohibited from transferring out of the district to a school district of choice, if the other district approves the application for transfer. (education Code 48301)
