Mrs. Contessa Pelfrey, Superintendent

Mr. David Croy, Principal

January 4, 2022

To Parents/Guardians:

Jamestown School District has at home rapid tests for your use upon request. These tests are provided at no cost to you and your family. The instructions for use are on the attached sheet. Please do not report results to iHealth, as we use a different vendor. The enclosed direction sheet has the phone number or website, (if you have a device) for Primary Health, which is where you will report your results.

Each box includes two (2) tests. Please do not send any unused tests back to the school site.

If you are interested in picking up a rapid test kit for your child(ren), on Tuesday and/or Wednesday of this week, please let a staff member know upon drop off/pick up during the car line or at parent walk-up at dismissal. We do need an adult to pick up the tests as will not be disbursing tests to students.

If you do not drop off or pick up your child from school, you may contact the school office to pick up a test kit this week between the hours of 9:00-10:00 AM or 3:00 PM-4:00 PM. When you have arrived at school, please park in the car lane and call the school office at 209-984-5217, and a staff member will bring a test kit to your car.

Sincerely,

Contessa Pelfrey, Superintendent
