## Be in the Know...

What are you thankful for this month? At Jamestown, we have a lot to be thankful for this month! This month the PTO will be putting on a Turkey Trot for students to come together, jog off their tail feathers, and enjoy prizes earned for the students who complete the Turkey Trot in the fastest time. More information will be handed out by PTO soon!

This month our character trait is fitting for November. Students at JES and CCSA are going to learn about gratitude and what that means to them. What a great topic to talk about at the Thanksgiving table!

## A Message from the Principal

Happy Fall JSD Families! We have much to be thankful for here at Jamestown School District, particularly for our students, their families, and our great staff!

Can you believe Trimester 1 is already ending on November 10? Parent -Teacher conferences are being scheduled for the week of November 14-18. Important information about your child's school progress for the first trimester will be shared at the conference. A conference lets you and your child's teacher exchange information beyond what is on their report card. Plus, meeting with your child's teacher is one way to keep the lines of communication open. Dismissal during conference week for 1st-8th grade will be at 1:25pm. (TK/K dismissal remains the same at 1:05pm.)

As a reminder, your child's attendance matters. It is extremely important that students are at school on time every school day. Our curriculum and teaching move quickly and it is difficult for students to keep up when they are absent, come to school late, or leave school early. Our school funding is also based on attendance. If your child needs to be absent, please call our 24-hour attendance line to report the reason for your child's absence.

I wish you all a great month of November!

Mrs. Martin
