HOME / SCHOOL COMMUNICATIONS

Jamestown School believes that regular home-school communication is an essential building block to success in general, and that positive parent-teacher interaction translates to improved student performance.

Mondays

Information, including flyers, the monthly newsletter and homework assignments are sent home on Mondays.

Conferences

Parent conferences are scheduled during the first trimester. The school day is shortened during conference week so that parents and teachers have time to meet and discuss student challenges and progress. Teachers are available for conferences on other days and times by appointment.

PowerSchool Parent Portal

Parents and students in grades 6-8 have access to current grades, assignments and attendance information through the web-based portal for parents. Parents receive passwords at Arena Registration and Back to School Night. Parents can also contact teachers for their child's password.

Reports Regarding Pupil Achievement

The Board of Education believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. Each trimester parents receive a written Report Card that reflects student progress in classwork and proficiency levels and indicates educational growth in relation to the student's ability, citizenship and effort. Periodic Progress Reports are also sent home for grades 4-8. [EC 49067]

Automated Event Caller

An automated phone, email, or text communication system may be used to contact families about important special events, school closures, and to follow up on student absences.

As the parent of a student you have many rights and responsibilities. This booklet talks about many of those and laws, policies and statutes which cover them. We suggest you read it. We must get the signed acknowledgement form included in your packet returned or your child may not be able to attend classes.

Teachers build your child's education one day at a time, so every day is essential. In elementary, middle, junior, and high school, moving ahead, or even graduation, can be put in jeopardy if too many days are missed. Work with the teacher when a child must miss school. Get homework assignments and review work. There is only one chance to get a great education.

CAMPUS EVENTS

■ Back to School Night

Parents and guardians are invited to Back-to-School Night. Teachers explain their programs for the year including grading policies, academic and behavioral expectations, homework, projects, and unique activities.

■ Open House:

Parents have an opportunity to view student work and portfolios as they visit classrooms. Also, art and other awards are given at Open House.

■ Special Evenings

Special gatherings such as Family Literacy Night or Family Fun Nights are an opportunity for parents, children and staff to share learning experiences.

■ Parenting Classes

Parenting classes are periodically scheduled at the Jamestown Family Resource Center. Call 984-4704 for more information.

CAMPUS INFORMATION

■ Closed Campus

The Jamestown School District has a closed campus policy. Students must remain on grounds during school hours. When it is necessary for students to leave campus during school hours, parents or guardians must sign them out in the school office and then escort them off grounds.

For safety reasons, if a child is to be picked up by someone other than parents, that individual must have a note from the child's parent and sign the child out in the school office.

■ Visitor Passes

Parents and visitors on official business must check in and out at the school office before visiting the classrooms and other areas. For everyone's safety, a visitor's badge must be issued via our digital application located in the School Office or the District Office and worn while on campus. Students who are not currently enrolled at Jamestown School may not attend classes or be on campus.

■ Arrival/Dismissal

Students should not arrive before 8:00 a.m. and must leave campus when classes are dismissed. Supervision is limited to these hours. Students may not be on campus without appropriate supervision.

With parental permission, 4th graders and older may walk home unaccompanied. Third graders and younger should be escorted by an adult or older student.

Walking along side or crossing Hwy. 108 is not safe and therefore is not allowed for the purpose of coming to school or going home from school.

■ Lost and Found

Items that are found should be placed on the Lost and Found rack, located in the back of the cafeteria. Those who have lost items should promptly claim missing articles because the rack is periodically cleared and donated to charity. Families are advised to label children's clothing so that items that end up in Lost and Found can be returned to their owner.

■ Office Phone

Students may use the school office phone only in the event of emergencies and then only with the permission of the office staff.

Families should make social plans and transportation arrangements prior to the start of the school day. In order to keep classroom interruptions to a minimum, telephone messages will not be delivered to students except in the event of an emergency.

■ Snow Information

On days when the weather is extreme, the district will send an auto dialer message regarding school delays and closure. Also, families should listen to the following radio stations that will broadcast information about any change in school or bus schedules:

KVML or STAR AM 1450 or FM 92.7

KKBN FM 93.5

Updates are also posted at www.mymotherlode.com. Please note that you may be notified by the District via the auto dialer system.

■ Campus Surveillance

Security cameras are used for outdoor surveillance for safety and security on Jamestown and Chinese

Camp campuses. Any surveillance recordings may be used in disciplinary proceedings and/or referred to local law enforcement as appropriate. [BP 3515 December 2019]

FOOD SERVICE

The Jamestown School Board believes that food and beverages available to students during school should support good health and follow the District Wellness Policy which can be located at www.jespanthers.org. Food service provided by the district meets the nutritional guidelines of the National School Lunch Program. Both breakfast and lunch are served daily.

■ Breakfast and Lunch Program

Meals are provided to all students at no cost. Every child will have the opportunity to eat breakfast and lunch free of charge. Alternative Household Income Data Collection Forms will be distributed to every family member for completion. Please turn in forms at Arena Registration or upon enrollment. [EC 49510-49520, 49558; 42 USC 1761(a)]

ATTENDANCE

■ Attendance Policy

Healthy kids need to arrive at school on time every day. Attendance is one of the most critical factors contributing to school success. Students with regular attendance usually earn better grades and score higher on tests. Jamestown students are expected to attend class 100% of the time, 180 days per year.

According to the California Education Code, three (3) unexcused/unverified absences or three (3)

unexcused tardies over 30 minutes or any combination of, label a student as truant. More than three (3) unverified or unexcused tardies over 30 minutes (habitual truancy) will result in further attendance action. Parent illness, shopping trips, and vacation days are examples of unexcused absences. Excessive absences may also trigger a truancy warning. Unexcused absences of more than 10% of the school year are considered chronically truant.

■ Absences

Parents should call the school office before 8:30 a.m. each day their child must be absent from school. A 24-Hour Attendance Phone Line is available for messages at 984-5217 Ext. 3197. In the event parents cannot call, the student must bring a note verifying the reason for the absence when s/he returns to school. Absence notes must be given to the school office for filing.

■ Tardiness

Students arriving after the final morning bell are tardy. A pass from the office is required when students arrive after 8:30 a.m. Frequent unexcused tardies or absences may result in a detention and/or a referral to the School Attendance Review Board. The office may verify tardiness or absence due to medical/dental appointments.

■ Saturday School

Saturday School allows students to make up absences and complete schoolwork and the district reclaim lost revenues. Saturday School (8 a.m. to noon) offers enrichment and academics. Saturday School participation may be credited toward a Perfect Attendance Award, but may not be used to bank days to use against future absences. Of course, to receive credit for Saturday School, students must be on time and have acceptable behavior.

■ Independent Study (Minimum 5 days)

In order to qualify for Independent Study, a parent must make a request of the teacher and the school office at least 72 hours prior to the absence. Independent Study must be for a minimum of five school days, and typically no longer than two weeks. Students must complete all assigned work to receive full credit. Completed work should be returned on the day the student returns to school.

■ Illness

Although regular attendance is vital to school performance, students should not come to school when they are ill.* If a student becomes ill or is injured at school s/he should request a pass from the teacher and report to the school office. The District asks that students who have been ill do not return to school until they have been fever free for 24 hours without medication. If necessary, a parent will be contacted to pick up the student. If a parent cannot be reached, the next contact in our database will be called. Students may not leave the school grounds to go home because of illness or injury without first checking out through the office. (* ill = diarrhea, vomiting, fever or disease)

■ Medical Appointments

Parents should arrange their child's medical and dental appointments after school whenever possible. Appointments may be verified as needed. Students should bring back a doctor's note excusing their absence. Parents must sign out their child in the school office prior to leaving campus for appointments.

■ General Absences

Children cannot learn if they are not in school. Daily school attendance improves student achievement. Children learn early about being on time and not missing school; teach your child that school attendance is an important family value. Children ages 6 to 18 years must attend every school day.

The state only awards funding to school districts for actual attendance. The state does not fund districts for the excused absences listed below. Always review the school calendar and plan activities and vacations during days off. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

Other attendance reports, such as truancy, rely on excused and unexcused absences. There are legal consequences if your child misses too much school. You must send a note and/or phone the school within 72 hours to clear any excusable absences. Parents/Guardians have the right to be notified on a timely basis if their child is absent from school without permission. Unexcused absences are recorded as a truancy.

A. Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

1. Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
4. For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
5. For the purpose of jury duty in the manner provided for by law.
6. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.
8. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
9. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of

time to be determined at the discretion of the superintendent of the school district.

10. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
 11. For the purpose of participating in a cultural ceremony or event.
 12. (A) For the purpose of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.

(B) (i) A middle school or high school pupil who is absent pursuant to subparagraph (A) is required to be excused for only one schoolday-long absence per school year.

(ii) A middle school or high school pupil who is absent pursuant to subparagraph (A) may be permitted additional excused absences in the discretion of a school administrator, as described in subdivision (c) of Section 48260.
 13. Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.
- B. A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- C. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- D. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- E. For purposes of this section, the following definitions apply:
1. A "civic or political event" includes, but is not limited to, voting, poll working, strikes, public

commenting, candidate speeches, political or civic forums, and town halls.

2. "Cultural" means relating to the habits, practices, beliefs, and traditions of a certain group of people.
3. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil. [EC 48205, 48260]

Districts may allow students, with parental or guardian consent, to be excused to participate in moral or religious exercises or instruction. [EC 46014]

School authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. [EC 46010.1]

Emergency School Closure

Schools may close in the case of a natural disaster such as an earthquake, a fire, a flood, or due to a power outage. School officials rely on the expertise and advice of public health and safety officials in these decisions. Other means of delivering instruction will be used as possible.

Minimum Days/Pupil Free Staff Development Days

If your child will be affected by minimum days or staff development days, the district will notify you at least one month in advance. [EC 48980]

Attendance Options

The governing board annually reviews attendance options including how students may attend a district school outside their attendance area (intra-district transfer). This district has non-arbitrary rules explaining how students may apply, be accepted or denied intra-district transfer. Districts may allow the transfer of students from or to other districts (inter-district transfer). Victims of bullying or violence are given preference in intra- and inter-district transfers. In some cases, the district must provide transportation. Students attending "persistently dangerous" schools can transfer and enroll in a safe school. Students convicted of a violent felony or convicted of a specific misdemeanor may be transferred involuntarily to another school in the district. Districts cannot prevent children of active military from changing districts, as

long as the district chosen agrees to accept them. Upon enrollment or transfer, principals are urged to check missing children information. Further information about residency, attendance options, special program options, etc. will be provided by the California Department of Education. [BP 5116.2 June 2022; EC 46600, 48204, 48204.7, 48206.3, 48300, 48301, 48306, 48853.5, 48929, 48980, 49068, 51101; PC 667.5(c), 29805; 20 USC 7912]

1. Interdistrict Attendance

The Governing Board recognizes that students who reside in one district may choose to attend school in another district and that such choices are made for a variety of reasons.

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district for a term not to exceed 5 years, for the interdistrict attendance of students who are residents of the district.

Upon request by students' parents/guardians, the Superintendent or designee may approve interdistrict attendance permits with other districts on a case-by-case basis to meet individual student needs, subject to the terms and conditions of the interdistrict attendance agreement.

The Superintendent or designee shall ensure that interdistrict permits specify the terms and conditions agreed to by both districts for the granting, denial, or revocation of the permit as well as the standards for reapplication.

The Superintendent or designee may deny the granting of an interdistrict attendance permit because of overcrowding within district schools or limited district resources.

Transportation

The district shall not provide transportation outside any school attendance area. Upon request, the Superintendent or designee may authorize transportation for students living outside an attendance area to and from designated bus stops within the attendance area if space is available. Priority for such transportation shall be based on demonstrated financial need.

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for

free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600.

Limits on Student Transfers out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice.

A child of an active military duty parent/guardian shall not be prohibited from transferring out of the district to a school district of choice, if the other district approves the application for transfer. [BP 5117 March 2020; EC 41020, 46600-46611, 48204, 48300-48316, 48350-48361, 48915, 48915.1, 48918, 48980, 52317]

2. Attendance Where Caregiver Resides

If your child lives in the home of a caregiving adult, as defined by law, or a foster home your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the caregiving adult is required to determine that your child lives in the caregiver's home. [EC 48204(a), 48980; FC 6550-6552]

3. Attendance in District in Which Parent or Guardian is Employed

The district may, but is not required to accept a transfer student whose parent/guardian resides outside the boundaries of the school district but is employed and lives with the student at the place of the parent's/guardian's employment within the boundaries of the school district for a minimum of three days during the school week; or a student whose parent/guardian physically works within the boundaries of the school district for a minimum of 10 hours during the school week. [EC 48204(a)(7), 48980]

4. Special Enrollment Allowances for Some Categories of Students:

Some students, including foster, homeless, migratory, American Indian, or military children, living in the district may stay enrolled in their school of origin inside or outside the district if: 1) their Individual Education Plan (IEP) indicates attendance elsewhere, or 2) parents, guardians, and others with authority declare in writing otherwise. In some cases, they also have rights to expedited enrollment in school, to attend classes and programs, to after-school programs, and to fee waivers. The school district and each school site have complete documentation of the rights of homeless, foster, migratory, military, and other special categories of students. [EC 48204, 48204.7, 48645.3, 48850-48859, 51225.1, 56055; 5 CCR 4622; WIC 224.1, 361, 726; 42 USC 11301, 11431-11435]

Individualized / Home / Hospital Instruction

You must notify the school if your child has a temporary disability and cannot attend regular classrooms. If your temporarily disabled child is located outside your school district, notify both the district where your child resides and where the child is located. Within five (5) days of notice, the district(s) will determine if the student qualifies, and within five (5) days of the determination commence instruction in the home or in a hospital or other residential health facility. The district(s) will notify you if your child qualifies, when instruction will begin and for how long it will continue. Each hour of instruction at home or in a facility will count as a full day but cannot exceed 5 days per week nor the number of days in the school year. [EC 48206.3, 48207, 48207.5, 48208, 48980]

Pregnant or Parenting Students

Pregnant or parenting students who are 18 years old or who have permission from their parent/guardian may have excused leave for up to 8 weeks or more without having to complete schoolwork or other requirements, or being subject to penalties. They may return to the same school and courses, and be provided time to make up work. They may choose to attend an alternative program with access to comparable courses, programs and activities. They may have a fifth year to complete high school graduation requirements unless administration determines they are capable of completing graduation requirements in four years. Complaints about these rights can be made

using the Uniform Complaint Procedure. [EC 221.51, 46015, 48200, 48980]

Unexcused Absences (truancy)

When a student misses school without an excuse they are considered truant, and the school will notify the parent/guardian. The state defines three levels of truancy, each carrying more severe penalties for both the student and the parents or guardians. A student is classified as;

Truant: after missing three days of school or three 30-minute periods without a valid excuse

Habitual Truant: if they are truant three or more times in a school year and an effort is made to meet with parents

Chronic Truant: if they miss 10 percent or more of the school days in a school year.

Early intervention and cooperation between the school and the family is the best way to support student learning. A student who is truant can be referred to a student attendance review board (SARB), a community service program, the county probation department, or to the district attorney. Through these programs the student can be given guidance toward improving attendance. The goal is to intervene before a student enters the juvenile justice system or drops out of school. Parents are urged to use community services identified by the school or District, a SARB, the District Attorney, or Probation department. Students and parents face penalties as defined in Education Code, Welfare and Institutions Code, and Penal Code.

Student Penalties: First truancy may result in a one-day weekend class; Second truancy may be a written warning from a peace officer; Third truancy may result in assignment to an after-school or weekend program, involvement of a SARB, a probation officer, or District Attorney; Fourth truancy may result in a chance to improve attendance, but may also result in the student being placed within the jurisdiction of the juvenile court. Other penalties may include required community service, payment of a fine, attending a truancy mediation program, and loss of driving privileges.

Parent Penalties: First conviction – up to \$100 fine; Second conviction – up to \$250 fine; Third conviction – up to \$500 fine. Parents of chronically truant elementary students face a fine up to \$2,000; imprisonment up to one year; or both. They may also

be scheduled to meet regularly with district staff and/or referred to community resources. Parents may also have to attend classes at the student's school for a day and/or personally deliver their child to school every day. [EC 48260, 48260.5, 48261, 48262, 48263, 48263.5, 48263.6, 48264.5, 48291, 48293, 48320; PC 270.1, 830.1; WIC 256, 258, 601, 601.3]

Notice of Alternative Schools

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his/her desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his/her teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. [EC 58501]

INSTRUCTIONAL PROGRAM AND CURRICULUM

The Jamestown School District works hard to offer every student a quality education. The district's curriculum is based on California State Common Core Standards. These standards spell out the content that

teachers are responsible to deliver in the classroom and the skills that students need to master at each grade level.

Students who do not meet grade level standards receive academic assistance in the classroom, through the district's reading and math interventions, as well as through the After School and Supplemental Program.

Jamestown School District has two additional educational program opportunities. First, we have implemented a Science Academy at our Chinese Camp campus. This program focuses on Project-Based Science instruction that is integrated into the other subject areas. It is designed with smaller class sizes in mind, frequent field trips, numerous hands-on learning experiences, and an emphasis on community service and partnerships. Secondly, we are the first school in the county to provide a Dual Language Immersion Program where students will be taught in both English and Spanish with the goal of becoming bilingual and bi-literate by the 6th grade. This is an exciting opportunity for students to acquire a second language as they learn grade level standards-based curriculum.

The district also offers a high quality Visual and Performing Arts Program. A credentialed music teacher provides classroom instruction to those in primary grades. Third and fourth graders play recorders to prepare them to participate in band as they acquire skill with instruments. Students in grades 5-8 may participate in band. A Credentialed Art Teacher offers well sequenced instruction based on Visual Arts Standards to all students.

The Jamestown School District recognizes the educational value of instructional technology. Students have access to and experience with technology. Every classroom has Internet access, with regularly updated blocking software, and computers for student use. Each child is instructed in the appropriate use of technology and how to effectively employ it both as a learning resource and a tool for productivity.

Academic Standards and Assessments

Each district in California decides how they will teach and what resources they will use. More information can be found at www.cde.ca.gov/re/cc/ or www.corestandards.org. California uses a computer-based student testing system tied to the standards for English language arts, mathematics, and science called the California Assessment of Student Performance and Progress (CAASPP). The tests

include the Smarter Balanced Assessment Consortium Assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-based Tests in Spanish (STS) for Reading/Language Arts. Parents can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615; 5 CCR 852]

English Language Learners are evaluated with the English Language Proficiency Assessments for California (ELPAC) and to identify and measure their progress in English Language proficiency. Students in grades 5, 7, and 9 also participate in Physical Fitness Testing (PFT). [EC 52060, 52066, 60800]

■ Local Control Funding and Accountability

The Local Control Funding Formula (LCFF) provides money to school districts with a uniform base grant for every student, adjusted by grade level. Plus they receive adjustments for the number of students living in poverty, English learners, and foster youth. Then there are further adjustments for concentration of these groups if they are above 55% of the district's enrollment. More information about the LCFF is available at www.cde.ca.gov/fq/aa/lc/.

The Local Control Accountability Plan (LCAP) is a critical part of the LCFF. Each school district is required to engage parents, students, educators, employees, and the community to establish their plan. The LCAP must focus on eight areas identified as State priorities:

- | | |
|--------------------------------------|-------------------------|
| 1. Basic Services | 5. Pupil Engagement |
| 2. Implementation of State Standards | 6. School Climate |
| 3. Parental Involvement | 7. Course Access |
| 4. Pupil Achievement | 8. Other Pupil Outcomes |

The plan must describe the overall vision for students, annual goals including language acquisition, and specific action to achieve these goals. The plan will demonstrate how the district's budget will help achieve the goals, and annually assess how well the strategies improved outcomes. Anyone can comment about proposals or expenditures to the school board; at parent, student, community engagement meetings; at staff LCAP meetings; or to the district LCAP Advisory Committee. Complaints regarding LCAP may be filed anonymously or using the District Uniform Complaint

Procedures. [EC 305, 47606.5, 47607.3, 52060-52076, 5 CCR 4600, 4622]

Homeless, Migratory, Foster, Military, and Juvenile Court Youth

Homeless, migratory, foster, military family, juvenile court youth, or youth participating in a newcomer program have special rights related to graduation and partial high school credits. They have the right to an adult to help make educational decisions. Foster and homeless youth also have special rights associated with college funding, and certain considerations in school discipline. The District Uniform Complaint Procedure may be used to file a complaint. [EC 48645.3, 48645.5, 51225.1-51225.3, 56055; 5 CCR 4622; WIC 361, 726]

Language Acquisition Programs

Language acquisition programs are designed to ensure that English learners acquire English as rapidly and effectively as possible. They provide instruction based on the state-adopted academic content standards, including English language development (ELD) standards.

The District offers a Dual Language Immersion program in which instruction is delivered in both English and Spanish. The program is designed for both English learners and native English speakers to develop as bilingual and biliterate. [EC 306(c)(1)]

Parents/Guardians may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. Parents/Guardians may submit written or verbal requests for the establishment of a language acquisition program in addition to the program available. Schools in which the parents/guardians of 30 pupils or more per school or 20 pupils or more in any grade request a language acquisition program are required to offer such a program to the extent possible. Please contact the District office or your school principal for more information. [EC 306, 310; 5 CCR 11310]

Parents/Guardians have a right to opt their child(ren) out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. [20 USC 6312(e)(3)(A)(viii)]

District Courses

Annually the District prepares curriculum, course titles, aims, and descriptions in a prospectus. The prospectus is available at each school site and may be reproduced at cost. Parents/Guardians have the right to review all course material. [EC 49091.14, 51101; PPRA]

Curriculum and Personal Beliefs

Whenever any part of the instruction in comprehensive sexual health, sexual abuse, or human trafficking prevention education conflicts with your religious training and beliefs or personal moral conviction, or those of your child, your child shall be excused from such instruction if you request an excuse in writing. No student shall be penalized, sanctioned, or disciplined for such an excuse, and shall have an alternative education activity available. [EC 51240, 51938, 51950]

Family Life, Human Development, and Sexual Health Education

Your child will be taking classes in compliance with the California Healthy Youth Act. These will include comprehensive sexual health education, HIV education, and research findings regarding pupil health behaviors and risks. Students in grades 7-12 will gain a deeper understanding of HIV transmission, prevention, and treatment. They will also be taught about the prevalence of human trafficking and the methods traffickers employ, including social media and mobile devices. You will be notified before such instruction. Any written and audio-visual educational materials planned for use are available for inspection prior to the start of classes. You may have copies of non-copyrighted material that will be presented by a consultant or guest speaker. You have a right to request, in writing, that your child not participate in any or all activities. You may withdraw this request at any time. School districts must ensure that all participating pupils receive sexual health instruction from personnel adequately trained in appropriate courses. In this District, staff teaches these classes. During this class, students in grades 7-12 may be asked to anonymously, voluntarily, and confidentially fill out evaluation and research tools such as surveys, tests, or questionnaires measuring student attitudes toward health, sex, and risk behaviors. Copies of Education Code Sections 51933, 51934, and 51938 can be

requested from the District or can be obtained online at www.leginfo.ca.gov. [EC 51933-51939]

Tests/Surveys on Personal Beliefs

You and/or your child(ren) over 18 will be notified before administration of any confidential test, questionnaire, or survey containing questions about your child's, or your personal beliefs, political practices, mental health, anti-social, illegal, self-incriminating, demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors, income (unless to determine eligibility for receiving financial assistance), sex, family life, morality, or religion. You will be asked for written permission except for exempt surveys (in grades 7-12) that are part of sexual health programs or State surveys. Parents may opt their child(ren) out of all surveys, without penalty, including those seeking information to be used in marketing. Parents have the right to review any survey or educational materials related to the survey on any of the above items. The District has developed policies relating to surveys and personal information. Notice will be sent to parents prior to such test or survey. If you believe your rights have been violated, you may file a complaint with the Family Policy Compliance Office at U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920. [EC 51513, 51938, 60614; 60615; PPRA; 34 CFR 98; ESEA]

Dissection of Animals

If your child chooses not to participate in the dissection of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with the student to develop and agree upon an alternative education project for the purpose of providing your child an alternate avenue for obtaining the information required by the class. The school will need a signed note from you indicating your or your child's objection. [EC 32255, 32255.1; ne]

Promotion Standards

Requirements

Students must complete classes in math, science, language arts, social science, physical education, and electives during both their seventh and eighth grade years. There are two plans for meeting promotion standards. Both plans reflect the strong commitment to academic standards, reasonable attendance, and

good citizenship by the Jamestown School Board. Students are required to:

1. have 70 or more citizenship points five (5) days in advance of the promotion activities and ceremony
2. have an 85% attendance rate for a minimum of 153 days during the 8th grade year
3. meet the academic standards of either Plan A or Plan B as outlined below

Plan A: Students need to earn a 2.0 or better cumulative GPA for the seventh and eighth grade years. Students will not be allowed to improve any grades received on a report card other than incompletes due to absences.

Plan B: This plan validates the importance of 7th grade and creates possibilities of promotion for students who attained less than a 2.0 GPA in their 7th grade year.

Students can obtain credits by taking advantage of additional learning opportunities. Students who obtain the required credits will need a cumulative 8th grade GPA of 2.0 to achieve 8th grade promotion. After achieving the required credits, the 7th grade GPA will be dropped from the cumulative calculation.

Students with a 7th grade GPA of greater than or equal to 1.5 will need to earn 175 credits

Students who had a 7th grade GPA of less than 1.5 will need to earn 200 credits.

Credits can be earned for these activities:

- Summer School with regular attendance, full participation, and completion of assignments, (proportional credit will be possible with prior approval) = 80 credits
- Saturday School, each day of attendance = 15 credits
- Trimester Achievement or Honor Award = 15 credits
- After School Support, 1 day of attendance = 5 credits. Students serving after school mandatory detentions cannot earn credits
- Trimester Perfect Attendance = 10 credits

Transfer Students

Students transferring into the Jamestown School District in the seventh or eighth grades will have records from their previous school(s) evaluated using the same criteria as those who are continuing students. In the case of citizenship points, transferees

with 1/3 year remaining will start with 80 points, 2/3 year remaining will start with 90 points, and those who transfer into JES within the first six weeks of school will start with 100 points.

Promotion Appeal Procedures

Students who may not meet 8th grade promotion activities requirements will be notified in writing within one week of the conclusion of the third trimester progress report grading period. Students will be given the opportunity to complete a Promotion Appeal Form. This form must be turned into the Principal by the designated due date.

The Appeal Committee will consist of three teachers, the principal, and the Resource Center Director. Parents will be given prior notice of the date of the appeals committee meeting. The committee will review the anonymous Promotion Appeal Form and determine whether the student may participate in any of the promotion activities. The student and their parent/guardian will be notified of the committee's decision in a timely fashion.

Eighth Grade Promotion Trip

Each year the eighth graders select a location for a Promotion Trip. Students are expected to pay for the trip. Permission forms are required. Telephone permission cannot be accepted. For students who are ineligible to participate in the eighth grade promotion trip, classes will be provided during school hours, and ineligible students are expected to be in attendance. To be eligible for the trip students must be academically eligible under either Plan A or Plan B. Students must also meet citizenship and attendance eligibility for promotion to participate in the class trip.

Eighth Grade Promotion Dance

Students must be citizenship and attendance eligible to attend the 8th grade dance. The dance is held following the promotion ceremony. Only seventh and eighth graders from Jamestown School may attend the dance. Each student must have a permission form signed by his/her parent. Students may not leave the dance unless a parent or guardian picks them up. Consistent with school policy, those who do not attend school on the day of the dance will not be eligible to participate.

Note: Students who fall below 70 points five days or less prior to graduation will not have sufficient time to make up lost points.

Student Activities

Athletics

Athletics provide a major contribution to fitness of the participant through:

- the development of and appreciation for health and physical fitness
- learning the “give and take” essential to emotional adjustment
- practicing good sportsmanship, citizenship, and cooperation
- gaining an understanding of self discipline and the rewards of hard work

Jamestown School District participates in the following school sports: Boys’ sports are cross country, basketball, wrestling, and track; Girls’ sports are cross country, basketball, volleyball, and track.

Each participating student must submit a completed After-School Sports Permission Form signed by their parent and their teacher. They must meet eligibility requirements in order to participate (see page 26 for eligibility requirements). Students who are ineligible may practice with a team but may not suit up or play in any games or travel to any away games.

Students who miss excessive practices or games due to unexcused absences may be benched or dropped from the team. Absences due to funeral, illness, or doctor/dentist appointments may be excused at the discretion of the coach. Students may be dropped from a team for inappropriate behavior or for being left by parents without transportation after games. Students may leave campus between school dismissal and game time only with school and parent permission. While athletes are on campus, however, they are to remain under the supervision of the coach or adult in charge of the activity.

Dances

With the signed permission from their parents, citizenship and attendance eligible (70+ points – see page 26 for eligibility requirements) sixth, seventh, and eighth grade students may attend school dances, which are normally held on Friday evenings. Participation is limited to those attending Jamestown School District. Students must stay until the conclusion of the dance, unless they are picked up by a parent or

guardian. Parent or guardian must pick up and sign out their child promptly when dance is over.

Student Recognition

Jamestown School believes in encouragement and incentives for various personal achievements. Recognition of excellence in scholarship, citizenship, volunteer service and attendance is done in classrooms, assemblies, and at various events.

Scholarship

Students achieving Honor Roll (3.5 - 4.0 GPA) status are presented with a certificate and incentive awards, and their names may be published in the Union Democrat after each trimester. Merit Roll (3.0 - 3.49 GPA) recipients are similarly recognized.

Honor Guard

Six 7th- graders who have at least 70 citizenship points and the highest GPAs at 2nd Trimester grading period will be selected to serve as Honor Guards at the 8th Grade Promotion Ceremony.

Citizenship

Students who maintain 100 citizenship points are recognized as members of the Century Citizenship Club. Students are allowed to learn from minor mistakes and regain their membership by re-depositing a maximum of 5 points per year. In order to qualify, redeposits must be made within 30 school days of the infraction. Century Club students are eligible for a celebration at the end of the year.

Attendance

Students with Perfect Attendance receive special recognition. At Jamestown School District, Perfect Attendance means students have attended school every day, although partial day absences due to illness or medical appointments are permitted. We understand that absences may occur, but encourage and reward students to participate in the “Under 5 Absence Challenge”. Attending Saturday School to replace an absence counts toward Perfect Attendance.

Other Recognition

Positive Referrals are used to randomly recognize various accomplishments of students at all grade levels. Positive referrals may be generated for achievement in the classroom, an act of kindness on

the playground, good behavior on the bus or any other contribution noticed by a staff member.

Pride Cards reward students for following school and class rules and demonstrating positive character traits. Students are recognized with awards through weekly drawings.

Students selected by their teacher as Student of the Week receive prizes, and their names are read during Monday morning announcements. The Student of the Month has his/her photograph published in the newspaper, name on the marquee, and receives certificates from merchants. Students are recognized for demonstrating outstanding character traits through monthly assemblies.

Students are recognized for demonstrating outstanding character traits through monthly assemblies.

8th Grade Promotion Awards

Seventh and Eighth Grade parents receive a description of additional awards that are awarded at the Promotion Ceremony.

SCHOOL RECORDS AND STUDENT ACHIEVEMENT

Pupil Records

Parents, guardians, foster parents, certain caregivers, and Parents, guardians, foster parents, certain caregivers, and students over 18 have the right to review, inspect, and get copies of school records within five business days of a written or oral request or before any meeting regarding an individualized education plan (IEP) or a hearing. Those records are confidential, and privacy will be maintained. Student records are provided to schools where student transfers or wants to enroll. In some instances, information about your child may be released to District staff, foster agencies, short-term residential treatment programs, after school programs, summer camps, lawyers, law enforcement, state researchers, and nonprofit researchers. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. The records include transcripts, discipline letters, commendations, attendance, health

information. The records are maintained at Jamestown School office by the principal. There is someone to help interpret the material. When more than one child is named in the records, parents may only see material related to their child. If requested, the district will provide a list of types and locations where materials are held. There is a log of who has viewed the records that is kept at the same location as the records. District policy or administrative regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. Files may be reviewed to identify students eligible for public school choice or supplemental educational services. You may have copies made for fifteen cents (15¢) per page. If you cannot afford the cost of copies, they will be provided free of charge. The District uses a contractor for tracking and/or copying student records. With the proper documentation, the records can be changed to reflect a legal change of name and/or gender of a student or a former. You also have the right to file a written request with the superintendent challenging the records if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, a comment not based on personal observation with time and date noted, misleading information, or a violation of privacy rights. You can file a complaint about how your request was handled with the district or with United States Department of Education. You will get to meet with the superintendent or designee within 30 days. If your challenge is sustained, the changes will be made. If not, you can appeal to the school board, which has final authority. If you still have a different view, your view can be included in the student's record. Student Data from Social Media Websites

School Districts may now adopt a plan to gather student information from social media websites. The Governing Board has not adopted such a plan, but may consider it in the future. The information would pertain only to student or school safety, and must be destroyed within one year of the student leaving the District or turning 18. [EC 49073.6]

Teacher Qualifications

A provision of federal Title I requires all districts

to notify parents of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals including state qualifications, licensing for the grade level or subject taught, any waivers for qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides are in the classroom and what their qualifications are. [ESEA; 20 USC 6311; 34 CFR 200.48, 200.61]

Release of Directory Information

The law allows schools to release “directory information” to certain persons or organizations including military recruiters. Directory information includes student’s name, address, telephone number, email address, date of birth, dates of attendance, and the most recent previous school attended. Directory information does not include citizenship status, immigration status, place of birth, or any other information indicating nationality. You may have the district withhold any of this information by submitting a request in writing. In the case of students with exceptional needs or who are homeless, no material can be released without parent or guardian consent. [EC 49061(c), 49070, 49073(c), 56515; FERPA; ESEA]

School Safety Plan

Every year, each school shall review and update its plan by March 1. Each school shall make its plan public and shall share the plan with numerous community leaders, law enforcement and the fire department, school site personnel, and parent groups. Plans should, among other things, provide guidance for the response to and/or the prevention of bullying, child abuse, disasters, and criminal activity. Key elements are to be described in the School Accountability Report Card. Planned responses to criminal incidents need not be disclosed. The Uniform Complaint Procedure can be used regarding School Safety Plan compliance. [EC 32281, 32282.1, 32286, 32288, 32289, 51101; ne]

STUDENT SERVICES

Student Use of Technology

The Governing Board intends that technological resources provided by the district be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of

student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

District technology includes, but is not limited to, computers, the district’s computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

The district reserves the right to monitor student use of technology within the jurisdiction of the district without advance notice or consent. Students shall be informed that their use of district technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the district technology. Students’ personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

Before a student is authorized to use the district’s technological resources, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities. In that agreement, the student and his/her parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence. They shall also agree to indemnify and hold harmless the district and district personnel for any damages or costs incurred.

Whenever a student is found to have violated

Board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy.

The Superintendent or designee, with input from students and appropriate staff, shall periodically review and update this policy, the accompanying administrative regulation, and other relevant procedures to enhance the safety and security of students using the district's technological resources and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that blocks or filters Internet access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced.

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities. Staff shall supervise students while they are using online services and may have teacher aides, student aides, and volunteers assist in this supervision.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors.

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/

ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs

2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee also shall establish regulations to address the safety and security of students and student information when using email, chat rooms, and other forms of direct electronic communication.

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

Student use of district computers to access social networking sites is prohibited. To the extent possible, the Superintendent or designee shall block access to such sites on district computers with Internet access. School Accountability Report Card

The School Accountability Report Card is available on request, and is available annually by February 1st on the Internet at www.jespanthers.org. It contains information about the district and school regarding the quality of programs and its progress toward achieving stated goals. A copy will be provided upon request. [EC 33126, 32286, 35256, 35258, 51101]

Transportation

Bus Rules

Many Jamestown students use school transportation. Parents have come to rely on it. For safety and clarity reasons, the following rules are added:

1. All appropriate school rules apply to transportation, including at bus stops.
2. Obey the bus driver immediately and without question. S/he is in total control of the bus and riders.
3. Remain seated at all times, unless otherwise directed by the bus driver.
4. Keep all body parts inside the bus.
5. Do not throw anything in the bus or out of the bus.
6. Get on and off bus in an orderly fashion.
7. Animals are not allowed on the bus.
8. Passengers may talk, but quietly. At railroad crossings, they must be silent.
9. Skateboards are not permitted on buses.
10. Kindergarteners must have a parent at the bus stop to be released from the bus or they will be returned to school for parent pick up.
11. No transportation changes will be allowed after 1:30 pm on the day the request applies to.
12. No eating, drinking, or chewing gum on the bus.

For the safety of students, staff may not arrange for transportation changes over the telephone.

Written permission is needed for students who plan to ride the bus to a stop other than their regular one. The note must contain the following information: name of the student, location of the stop, date and duration of the transportation change, phone number where the parents may be reached, and parent's signature. The student must submit the note to the office when they arrive at school in the morning. **The bus will leave promptly 5 minutes after the release bell.**

Bus Citations

Students transported in a school bus are under the authority of the bus driver. Prior to issuing a citation, bus drivers have been trained to give a verbal warning or assign a special seat to the student. Disorderly conduct or defiance is sufficient reason for a pupil to be denied transportation. If the offense is serious the

student may be removed from the bus on the first offense. Otherwise, students will be corrected and cited as follows:

- Verbal warning to correct behavior.
- First written bus citation: Principal will speak to the student and contact the parent.
- Second written bus citation: Possible removal from the bus for up to five days.
- Third written citation: Removal from bus for up to ten days.
- Fourth written bus citation: Removal from the bus for the remainder of the school year.

While students have been removed from the bus, they are not eligible to use any school transportation for field trips, athletic events, or other school activities.

Services to Disabled Pupils

If you have reason to believe your child (ages 0 through 21 years) has a disability requiring special services or accommodations, contact the school. Your child will be evaluated to determine whether he/she is eligible for free special or modified instruction or services.

The District wants to locate, identify and assess all children with disabilities whether homeless, wards of the state, enrolled in public or private schools. The District has policies guiding procedures for identification and referral. Students identified with special needs will receive a Free Appropriate Public Education in the least restrictive environment. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121]

Pupil Fees

While there are limited exceptions, families and students should not have to pay fees for most items related to public education. There are four types of fees identified in Education Code:

Pupil Fees: No fees or deposits can be required or collected for items including, but not limited to, materials, supplies, equipment, uniforms (i.e. band, cheerleading, basketball), lockers, locks, books, class apparatus, musical instruments.

Educational Activity Fees: No fees can be required or collected for student participation in an event or activity, either curricular or extracurricular, that is an essential part of a student's education or for

transportation to those events. There can be no fees required for registering or participating in regular or extra classes.

Voluntary Donations: While voluntary donations may be suggested for activities, no student may be denied participation based on the family's ability to make a donation.

Exceptions – When fees may be required: By law, there are exceptions to the prohibition against charging fees or deposits. Exceptions include, but are not limited to, transportation to non-essential activities, non-essential events where attendance is optional (such as a school dance), food served to students, damage to district provided materials such as textbooks, cost of community service classes, and fingerprinting. Money may also be collected for material used for projects that a student will be taking home, such as, material used in a career class like woodshop or sewing. The Uniform Complaint Procedure can be used regarding pupil fee compliance. A complaint may be filed with the school principal and may be filed anonymously.

STUDENT HEALTH

Immunizations

Documented proof that immunizations are up-to-date is required before attending school; districts may not allow "conditional" admittance into schools. Students may not participate in a classroom setting unless they have been fully immunized against diphtheria, hepatitis b, haemophilus influenza type b, measles, mumps, pertussis (whooping cough), poliomyelitis, rubella, and tetanus. Students must be immunized for varicella (chickenpox) or provide proof from a doctor stating they have had the disease.

All new students, advancing students, or students transferring into grades 7-12 must be fully immunized, and will not be admitted without the required booster against pertussis (Tdap). The required immunizations are available through a usual source of medical care, County Health Department, a school nurse, or may be administered by a health care practitioner acting

under the direction of a physician. Immunizations may be given at school. There may be funds for those who cannot access services. Homeless, foster, migratory, and military youth can be enrolled without proof of immunization. [HSC 120325, 120335, 120338, 120375, 120400, 120405, 120410, 120415, 120480; EC 48216, 48852.7, 48853.5, 49403; 17 CCR 6000-6075; 42 USC 11432(C)(i)]

Exemptions

These requirements do not apply if a form from licensed physician cites why they should not. The physician submits the standardized electronic form directly to the California Immunization Registry (CAIR) and to the school for exemption; this is the only form the school will accept. The form will include physician information, the child's name and their school, the parent's/guardian's name, and the specific basis for and duration of the exemption.

If an outbreak of a communicable disease occurs, a non-immunized student will be excluded from school for their own safety until such a time as directed by health officials or district administration.

Forms submitted prior to January 1, 2020 and exemptions based on beliefs opposed to immunization submitted prior to January 1, 2016 are valid until the pupil enrolls in the next grade span (through preschool, grades K-6, grades 7-12). Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying your County Health Department. [HSC 120325, 120335, 120338, 120370, 120372, 120372.05; EC 48216]

Physical Examinations

For each child enrolling in the District for the first time in kindergarten or first grade, the parent or guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive this exam, you must file a waiver with the school district stating the reasons you are unable to obtain such services. You may have your child immunized at the same time that the physical examination is conducted. [EC 49450; HSC 124085, 124100, 124105]

These services may be available to you at no cost through the Child Health and Disability Prevention Program (CHDP). For information, you may contact:

Tuolumne County Health Department
20111 Cedar North, Sonora, CA 95327
(209) 533-7415

If you want your child to be exempt from physical examinations at school, file a written statement annually with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist. [EC 49451; PPRA]

Dental Screenings

Parents or guardians must have their child's oral health assessed and have proof of the assessment by a licensed dentist or registered dental health professional no later than May 31 of the student's first school year (kindergarten or first grade). Assessments within the twelve months before the child enters school also meet this requirement. [EC 49452.8; ne]

The following resources may help parents complete this requirement.

1. Medi-Cal/Denti-Cal at 800-322-6384 or www.denti-cal.ca.gov
2. Health Families at 800-880-5305 or www.dhs.ca.gov/mcs/medi-Calhome/CountyListing1.htm.

Vision, Hearing, and Scoliosis Screening

An authorized person will check your child's vision upon enrollment and in grades 2, 5, and 8 unless the student entered the District in grade 4 or 7. Hearing tests will be conducted when your child is enrolled or first enters a District school. Females in grade 7 and males in grade 8 may be screened for scoliosis (curvature of the spine). These tests may be administered unless you annually give the school a certificate from a physician or optometrist verifying prior testing, or submit a letter denying consent. [EC 44878, 49451, 49452, 49452.5, 49455]

Medication

Children may take medication, which is prescribed by a physician, received in its original container, and can get help from school personnel during the school day if:

1. The district designee has received a written statement from the physician detailing the

medication name, method, amount, and time schedules by which the medication is to be taken; and

2. Parent, guardian, or caregiver annually submits a written statement asking the school district to assist their child in taking the medication or allow the student to self-administer certain medications.

This includes allowing a school staff member to volunteer and be trained to identify the need for, and administer glucagon or epinephrine to a student for anaphylaxis, or to administer prescribed anti-seizure medication to a student with an associated diagnosis. The statement gives permission to communicate with the health care provider or pharmacist, and acknowledges understanding of how the medication will be administered. Each school determines if it will have staff trained in the use and storage of auto-injectable epinephrine and/or anti-seizure medication. The District will have a supply of auto-injectable epinephrine at each school site. [EC 49414, 49414.3, 49414.5, 49423, 49468, 49480]

Children may carry and self-administer a blood glucose level test, diabetes care, inhaled asthma medication, and auto-injectable epinephrine if the rules above are met and if a physician confirms in writing that the student is able to self-administer. [EC 49414, 49414.5, 49423, 49423.1, 49480]

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the district designee of the medication being taken, the current dosage, and the name of the supervising physician. [EC 49480]

Sun Protection

When outdoors students may wear sun protective clothing, including, but not limited to hats. They may also apply sunscreen during the day without a doctor's note or prescription. [EC 35183.5, 35291, 35294.6; BP 5141.21]

Medical and Hospital Insurance

The district DOES NOT provide insurance on individual students. However, you may purchase accident insurance through the district for medical and hospital services covering your child. The insurance provides coverage for your child while on school grounds or in school buildings during the time your child is required to be there because of attendance

during a regular school day of the district; or while being transported by the district to and from school or other place of instruction; or while at any other place as an incident to school-sponsored activities. The school district assumes no liability for accidents to pupils at school. [EC 32221.5, 49472]

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. [EC 49471]

Enrollment in a Health Care Plan

All children and their families must be enrolled in a health care plan. There are several options for getting a health plan; through an insurance agent, or low cost provider such as Medi-Cal and Covered California at (800) 300-1506 or online at www.coveredca.com. [PPACA]

School-Sponsored Athletics

If a student participates in school-sponsored athletics other than physical education or athletic event during the school day, parents/guardians and the student athlete are required to annually; (1) complete a concussion awareness form, (2) complete a sudden cardiac arrest awareness form, and (3) sign a document acknowledging receipt of an Opioid Factsheet received either in print or electronic format. [EC 33479, 49475, 49476]

School Counselors and Access to Mental Health Services

School counselors are trained educators possessing a valid teacher credential with a specialization in pupil personnel services. Counselors help students make decisions about their courses, extra-curricular activities, and preparation for college and/or careers. Counseling related to academic and nonacademic courses, classes, electives, school-related activities, team sports, athletic competitions, and school facilities will be available to all students without regard to their gender or gender identity, the gender listed in their records, or any protected group as listed under "Complaints Regarding Discrimination, Harassment, Intimidation, Bullying, Exceptional Needs Students,

Categorical Programs, Federally Funded Programs" on page 34. Most counselors are available by appointment and will meet with students and their families. The District Uniform Complaint Procedure may be used to file a complaint. [EC 221.5, 221.8, 48980, 49600, 48900, 51229; GC 11135; Title VI, Title IX; § 504; CIF 300D; ne]

School-based mental health services help address barriers to learning and provide appropriate student and family support in a safe and supportive environment. Reaching out for mental health services is simple; contact your school counselor, nurse, health aide, principal, or the district office. In the community a good place to start may be to dial 211 for referrals in your area or call Tuolumne Co. Behavioral Health Services at (209) 533-6245. If you are in crisis contact this number or dial 911 immediately. [EC 49428]

Suicide Prevention

Suicide is a leading cause of death among youth and school personnel is often in a position to recognize warning signs. The District makes an effort to reduce suicidal behavior and its impact and has developed strategies to intervene. These may include staff development, student instruction in coping skills, informing parents/guardians, methods for promoting a positive school climate, crisis intervention, and counseling (including for bereavement). Information about district programs and services and links to community and statewide resources are available on the District's website at www.jespanthers.org. [EC 215, 234.5, 234.6, 49060-49079, 49602, 49604; GC 810-996.6; PC 11164-11174.3; WIC 5698, 5850-5883; BP 5141.52 June 2020]

Schools Free of Tobacco, Alcohol, and Drugs

The Board has adopted Tobacco-Free, Drug-Free, and Alcohol-Free campus policies to promote student health and well-being. The District strives for a school environment free of these substances and has prevention and intervention programs. There may be programs through the District or in the community to support students' cessation from use of tobacco, alcohol, or drugs. For more information please contact the school/district nurse or a school administrator. [EC 51202-51203, 51260-51269; HSC 104420, 11999-11999.3; PC 13864]

Diabetes Information

Diabetes is a health condition that affects how the body turns food into energy. Most food is broken down into glucose (sugar). When sugar increases in your bloodstream, your pancreas releases insulin. Insulin acts like a key to let the sugar into your body's cells to use as energy. When there isn't enough insulin or when cells stop responding to insulin, too much sugar stays in your bloodstream. Over time, this can cause serious health problems such as heart disease, vision loss, and kidney disease. There is no cure for any type of diabetes.

For both types, managing weight, eating healthy food, being active, and getting enough rest can really help. Taking medicine as prescribed, getting diabetes self-management education and support, and keeping health care appointments can also reduce the negative impacts of diabetes.

Type-2 Diabetes:

Type-2 diabetes is when your body can't use the insulin it makes as well as it should. It is the most common form of diabetes in adults, and is becoming more common in children, especially overweight teens. It is estimated that one in three children born in the US after the year 2000 will develop type-2 diabetes.

Type-2 diabetes can be prevented or delayed through lifestyle changes and medical intervention, and it is treatable. Eating healthy foods in the correct amounts and exercising regularly (at least 60 minutes every day) can help children achieve or maintain a normal weight and normal blood glucose levels.

The first step is to visit a doctor who can determine if your child is overweight. A doctor can prescribe medication if appropriate and can order tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (may lead to full onset type-2 diabetes).

Type-1 Diabetes:

Type-1 diabetes is when your body simply doesn't make enough insulin. Type-1 diabetes is not preventable, but it is manageable. It is an autoimmune disease that may be caused by genetic, environmental, or other factors. It is usually first diagnosed in children or young adults, but it can occur at any age.

Risk Factors:

It is recommended that students displaying or

possibly experiencing the risk factors and warning signs below see a doctor to be screened for type-1 and/or type-2 diabetes:

Being overweight: The single greatest risk factor for Type-2 diabetes is excess weight. In the US, almost one out of every five children is overweight. Being overweight more than doubles a child's chance of developing diabetes.

Family history of diabetes: Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.

Inactivity: Being inactive further reduces the body's ability to respond to insulin.

Specific racial/ethnic groups: Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type-2 diabetes.

Age/Puberty: Type-1 diabetes usually occurs in the early years, and before reaching puberty. Type-2 diabetes is more likely to develop during or near puberty, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

Warning Signs and Symptoms:

There are usually warning signs when a child might have diabetes. Not everyone with diabetes develops these symptoms, and not everyone who has these symptoms necessarily has diabetes. Type-2 symptoms generally develop slowly over time. Type-1 symptoms show up quickly – in a matter of weeks or even days, and are much more severe.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision
- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular/No menstrual periods, and/or excess facial and body hair growth in girl
- High blood pressure or abnormal blood fats levels
- For type-1; Nausea, vomiting, and/or stomach pain

Parents/Guardians of children displaying warning signs should immediately consult with the student's primary care provider to determine if screening for diabetes is appropriate. Following a diabetes's diagnosis, parents/guardians should work with the primary care provider to develop a lifestyle and medical treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

Diabetes Screening Tests:

Your doctor may have your child take one or more of the following blood tests to confirm the diagnosis:

Glycated hemoglobin (A1C) test: A blood test measures the average blood sugar level over two to three months

Random (non-fasting) blood sugar test: A blood sample is taken at a random time; this test must be confirmed with a fasting blood glucose test.

Fasting blood sugar test: A blood sample is taken after an overnight fast; a high level on two separate tests indicates diabetes.

Oral glucose tolerance test: A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid.

If the primary care provider thinks your child has type-1 diabetes, blood may also be tested for autoantibodies (substances that indicate the body is attacking itself) that are often present in type-1 diabetes but not in type-2. The child's urine might be tested for ketones (produced when the body burns fat for energy), which may also indicate type-1 diabetes instead of type-2 diabetes.

More information can be found on these websites: California Department of Public Health, www.cdph.ca.gov; Centers for Disease Control and Prevention, www.cdc.gov; National Institutes of Health, www.nih.gov; American Diabetes Association, www.diabetes.org.

The information provided in this booklet is intended to raise awareness about this disease. Contact your child's primary care provider, school nurse, or school administrator if you have questions. [EC 49452.6, 49452.7; HSC 104250]

STUDENT BEHAVIOR AND SAFETY

All pupils have the right to participate fully in the educational process, free from discrimination, harassment, violence, intimidation, and bullying. Schools have an obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity and ensure safe school sites.

Students are encouraged to report anything they see or hear about that might be suspicious or dangerous to a teacher or other staff member. Any staff member that receives such a report will quickly take appropriate action, and the student's identity will remain confidential.

Student Behavior Standards

Students are expected to follow the rules that are posted in each classroom. When outside the classroom, students are expected to follow school wide rules.

1. Students need to be safe, respectful and responsible.

2. **Be Safe**

- Keep hands, feet and objects to yourself

Be Respectful

- Follow directions the first time
- No bullying, teasing, put down or inappropriate language
- Respect school property

Be Responsible

- Come to class prepared and on time
- Keep hands, feet and objects to yourself

Students are expected to be Respectful, Responsible, Ready to Learn; Reach Academic Standards, and Rise to Their Potential, which are the 5 Rs of the Jamestown School District.

School Rules

You have a right to review school and district rules regarding student discipline. If you wish to do so, please contact the school office. [EC 35291, 48980, 51101]

Safe Place to Learn

It is State and District policy to improve student

safety, connections between students and supportive adults, and connections between schools and communities. These policies prohibit discrimination, harassment, intimidation, and bullying at all school sites or at any school sponsored activity. School site staff trained in anti-bias shall be made known to students. When safe to do so, District employees must intervene immediately when they see discrimination, harassment, intimidation or bullying. Certificated staff in grades 7-12 get information about helping LGBTQ students. Information about district programs and services and links to community and statewide resources related to: suicide prevention; sex discrimination including Title IX information; hate violence; sexual harassment including the District's Policy (also included in this booklet); harassment, intimidation, and bullying; and cyber-bullying including social-media bullying are available on the District's website at www.jespanthers.org and online at www.cde.ca.gov, www.cde.ca.gov/ls/ss/se/bullyres.asp, www.cde.ca.gov/ls/ss/se/bullyfaq.asp, www.cde.ca.gov/ls/ss/vp/ssresources.asp, www.californiahealthykids.org.

The District Uniform Complaint Procedure may be used to file a complaint. Contact the District Complaint Officer(s) listed on page 35 for assistance. Dress Code

Students should come to school neatly and modestly dressed in clothing suitable for school activities. Personal appearance should not distract from the teaching-learning environment or present a hazard. Shorts, dresses and skirt hem lengths must be at or below mid-thigh length while in a normal standing position. Examples of inappropriate dress include:

- Pajamas/slippers (flannel pajama pants are OK)
- Flip flops and shoes with wheels or high-heels
- Sandals worn during P.E.
- Clothing that exposes undergarments – No undergarments may be showing in tops or bottoms
- Clothing that exposes the midriff – halter, mesh, tube, and/or see-through tops.

- Tops with a shoulder strap width of less than two inches
- Clothing that is excessively undersized/tight or oversized/baggy
- Clothing with symbols, messages, advertisements, and/or statements about tobacco, alcohol, drugs, sex and/or violence.
- Clothing that is gang-related.
- Hats may be worn at the discretion of the teacher
- Writing or drawing on skin
- Pants with large holes must conform to the short/dress rule – No large holes above mid-thigh

Books

Students are responsible for the textbooks checked out to them. It is recommended that students cover books to protect them. Families are required to pay the replacement cost of a new textbook or library book that they lose or damage. In addition, students may be ineligible to participate in sports activities, dances, and other activities until charges are paid.

Academic Honesty

This policy applies to 4th through 8th grades. Academic dishonesty undermines honor and integrity in the learning environment. Jamestown District Staff support an Honor Code and students who cheat will be held accountable. The following behaviors are examples of cheating:

- Claiming credit for work that is not the product of one's own honest effort
- Copying or using someone else's work for examinations, workbooks, homework, lab assignments, or other written products
- Submitting work done entirely or in part by someone else
- Giving or getting test answers from another student.
- Plagiarizing or representing another person's words or ideas as your own without properly citing the source and giving the author credit
- Cheating includes allowing another to use or copy one's work as well as being the one who copies or uses another's work

- Changing answers, grades, or attendance for fellow students

Consequences for cheating may include teacher enforced grade reduction or a zero on the work and/or a referral to an administrator for discipline.

■ Prohibited Items

Jamestown School District campuses are alcohol-free, drug-free, tobacco-free, and weapon-free in order to provide a safe and positive learning environment. Any item with the potential to disrupt or distract the school environment is prohibited. Examples include roller blades, scooters, balls, bats, toys, squirt guns, radios, laser pens, electronic games, pets, gambling items, trading cards, caps, poppers, gum, and balloons. This list is not meant to be all-inclusive, but contains items that may cause problems. Possession of any prohibited or unsafe item is a violation of school rules. Fireworks, firecrackers, poppers, lighters, matches, razor blades, knives, are considered dangerous objects and are prohibited and may be grounds for possible suspension. [EC 48900(b)]

■ Coasting Devices

Posted signs indicate that all coasting devices (scooters, bicycles, roller blade/skates, skateboards, or any wheeled device) may not be used on campus.

Students who use bicycles or skateboards to transport themselves to school may not ride the device on school property. Riders must wear a helmet and bike riders must secure their bike at the bike rack.

■ Additional Rules

Those who would like a list of specific playground rules may contact the school office.

- Selling personal and/or school property is not allowed
- Physical public displays of affection are not acceptable behavior at school
- No sunflower seeds at school
- No energy drinks at school

■ Digital Communication Devices

Districts may regulate the possession or use of any cellphone, smartphone, pager or electronic signaling device while pupils are on campus, while attending school-sponsored activities, or while

under the supervision and control of school district employees. All digital communication devices shall remain turned off and in students backpacks unless: there is an emergency; there is a perceived threat of danger; when a teacher or administrator has said it is acceptable; or if it is part of an individualized education program (IEP). Possession or use is allowed if essential to student's health as determined by a licensed physician or surgeon. [EC 48901.5, 48901.7; ne]

■ Drugs, Alcohol, and Tobacco

Possession or use of illicit drugs (including cannabis), alcohol, or any tobacco product on District premises or at any District activity is strictly prohibited.

A student in possession or under the influence of marijuana (cannabis), concentrated cannabis, or any synthetic cannabinoid is subject to suspension or expulsion. A student under 18 also faces up to forty (40) hours of community service, ten (10) hours of drug education, and sixty (60) hours of counseling; a student 18 or older can be imprisoned for up to six (6) months and/or be fined up to \$1,000. It is illegal for anyone under 21 to possess cannabis or synthetic cannabis.

Possession of tobacco by anyone under 21 is illegal and can lead to a \$75 fine or 30 hours of community service except for members of the military.

Except for members of the military, possession of tobacco by anyone under 21 is illegal and can lead to a \$75 fine or thirty (30) hours of community service. Possession of approved tobacco cessation aids is not prohibited. A "tobacco product" is any product made or derived from tobacco or nicotine that is intended for human consumption, including an electronic device that delivers nicotine (commonly known as "e-cigarettes" or "vaping"). [EC 48900, 48901; HSC 11357, 11357.5, 11361, 11362.1, 11362.3, 104495, 104559; PC 308; VC 13202.5; BPC 22950.5, 25608; 20 USC 812, 814]

Jamestown School contracts with a canine detection service company. The visits are randomly scheduled and will occur throughout the school year to monitor 6th - 8th grade classrooms and the outside campus.

■ Safe Gun Storage

New this year

Guns are now the leading cause of death for

minors in this country. Virtually every day, children are shot and injured, or sometimes killed, by firearms improperly stored. About 75 percent of shootings at schools are due to minors having access to guns at home. Over 80 percent of teens who commit suicide with a gun used one that belonged to someone in their home.

Gun ownership is a right in the US, and it comes with substantial responsibilities. It is a crime to store a loaded firearm where a child might gain access to that firearm. Information about gun safety and the safe storage of firearms can be found at <https://oag.ca.gov/firearms/tips>. [EC 48986, 49392; PC 25100]

CITIZENSHIP POINT PLAN

The Jamestown School District Citizenship Plan applies to students in grades 4 through 8. At the beginning of the school year, each student is given 100 ICP [Individual Citizenship Points]. Eligibility is based on maintaining a balance of at least 70 points. Points may be lost for the following infractions:

- Lunch Detention = 2 pt
- After School Detention = 4 pts
- Bus Citations: 1st = 2 pts, 2nd = 4 pts, 3rd = 7 pts or 4th = 10 pts
- Class suspension = 10 pts
- Home Suspension / In-School Suspension = 20 pts.

Infractions not included here will result in loss of points at the principal's discretion.

Redepositing Citizenship Points

Students may earn and redeposit citizenship points. The simplest way is to have 20 successive school days without any discipline problems (no detentions, referrals), which earns 5 points.

Students in grades 4th through 8th who successfully complete 20 school days without any disciplinary infractions **must notify the school office. This must be done within 5 days of the 20 successful school days via re-deposit blue form** to have their citizenship account credited back.

Other ways students may earn points for redeposit include:

- 4 points for each hour of successfully completed after school Community Service

- 4 points for successfully participating in Saturday School
- 2 points for each before school or full lunch recess spent successfully completing Community Service
- 2 points for each positive referral
- 4 points for voluntary after school homework detention. Students who do not use the time to complete class work or who are disruptive will be sent out of the detention room and receive zero points. Students who have already earned 100 points may not serve voluntary detention.
- 1 point for 2 laps around the track (weather permitting)

Citizenship points earned for redeposit must be entered on a signed redeposit form and turned in weekly to the school's designated person on Fridays.

Once redeposit is made, there is a 5 school day waiting period before a student is again eligible. Points earned in this manner may be applied to either service hours in Leadership Class or redeposit for ineligibility, but not both.

Restriction: Community Service points earned outside of school must be earned through a recognized organization and not an individual. Students may work in a community organization such as 4-H, Scouts, and Little League. These points are not for participating in meetings or as a member of a team. They are for service in such activities as community breakfasts, park clean-ups or plantings, or coaching younger teams. Each activity must be at least an hour in length. The leader of the activity must sign the form as verification.

ELIGIBILITY

A student's eligibility is determined by grades, citizenship, and attendance.

Grades

Jamestown School uses a four-point grading scale for students in the sixth through eighth grades: A=4; B=3; C=2; D=1; F=0. To arrive at a grade point average (GPA), weighted values are averaged for all subjects. Students are expected to maintain a grade point average of 2.0.

Citizenship

Students must maintain at least 70 citizenship points to be considered eligible. When a student

has fewer than 70 points, s/he is ineligible for extracurricular activities such as sports, dances, rallies, 8th grade promotion activities, school plays and some assemblies.

Students who are citizenship ineligible may participate in academic assemblies with the permission of grade level teachers who decide whether or not an assembly is considered academic.

Students who are citizenship ineligible may not participate in attendance reward activities. Students who are citizenship ineligible may participate in academic field trips only with the permission of their teacher and principal or superintendent. Permission to attend may include a contract for behavior and possible parent supervision during the trip.

Events or activities with a duration of three weeks or longer (athletics or school play, for example), require Citizenship eligibility (70+ points), Scholarship (2.0 GPA), and Attendance eligibility criteria to be met. Students who have been suspended, home or in-house, which is a loss of 20 Citizen points, may not attend or participate in athletics, extracurricular events including dances or other activities for the duration of the suspension plus five additional days to support participation in redepositing of points.

The following requirements govern eligibility (starting on page 14):

Athletes not meeting these criteria will remain ineligible for sports until the next progress reporting period and/or until 5 days after citizenship eligibility is reestablished. DISCIPLINE

Civility

Recommended

The District believes that every person deserves to be treated with dignity and respect in their interactions within our School Community. Civility has an impact on effective operations and on the creation of a safe and positive school climate for everyone.

While respecting every individual’s right to free speech, that right does not allow for disruption of school classes, activities, meetings, or other events. Students, staff, parents, guardians, and the community are expected to be polite, courteous, respectful, and behave reasonably at all school or district activities and events. Practices that promote civil behavior include, but are not limited to, actively listening, giving full attention, not interrupting, welcoming and encouraging participation by everyone. Civility is hindered by disruptive behavior or speech, violence or the threat of violence, or harassment or bullying of any kind; these behaviors are prohibited and are subject to discipline according to law and District policies. Parent Responsibility

Parents or guardians are liable for all the damages caused by the willful misconduct of their minor children that result in death or injury to other students, school personnel, or damage to school property. Parents are also liable for any school property loaned to the student and willfully not returned. Parents’ or guardians’ liability may be as much as \$23,900 in damages and another maximum of \$13,200 as adjusted annually by the California Department of Education for payment of a reward, if any. The school district may withhold the grades, diplomas, or transcripts of the student responsible until such damages are paid or the property returned or until completion of a voluntary work program

in lieu of payment of money. If your child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities, or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, you may be required to attend a portion of a school day in your child's classroom. Civil penalties may also be enforced with fines up to \$25,000. [EC 48900.1, 48904, 51101; CC 1714.1; GC 53069.5]

Those who fail to serve their detentions will receive additional detentions and a reduction of citizenship points. A student who fails to serve 3 consecutive after school detentions will be referred to the principal.

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic and other educational support programs, services, and activities. He/she shall report his/her findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

The district shall investigate and seek to resolve any complaints alleging failure to comply with such laws and/or alleging

unlawful discrimination, harassment, intimidation, or bullying in accordance with the uniform complaint procedures.

The district shall use the uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying in district programs and activities based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Penal Code 422.55, or Government Code 11135, or based on association with a person or group with one or more of these actual or perceived characteristics. In district programs and activities, including, but not limited to, those funded directly by or that receive or benefit from any state financial assistance.

Uniform complaint procedures shall also be used to address any complaint alleging the district's failure to comply with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities, the legal requirements related to the implementation of the Local Control Accountability Plan, the requirements for the development and adoption of a school safety plan, and state and/or federal laws in programs, NCLB/ESSA, bilingual education, compensatory education, education of students in foster care or students that are homeless, physical education instructional minutes, reasonable accommodation for students who are lactating, after school education and safety, child nutrition, consolidated categorical aid programs, child care and development programs, child nutrition programs, and special education programs, or any other complaint as specified in a district policy.

The Board prohibits any form of retaliation against any complainant in the complaint process. The Board will ensure that complaints are protected from retaliation. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy will be investigated.

The Board encourages the early, informal

resolution of complaints at the site level whenever possible.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with the uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the

Superintendent or designee shall initiate that process. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate.

The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate for any complaint alleging discrimination, harassment, intimidation, or bullying, the Superintendent or designee shall keep confidential the identity of a complainant and/or the subject of the complaint, if s/he is different from the complainant, as long as the integrity of the complaint process is maintained.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints. All such records shall be destroyed in accordance with applicable state law and district policy.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency:

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social

District's Uniform Complaint Process

You may contact your school's office or the District office to obtain a free copy of the district's complaint procedures. The complaint procedure can be used for a variety of issues not mentioned above including but not limited to employee issues and policies and procedures of the district. Confidentiality and privacy shall be respected in all complaint investigations. Complaints alleging discrimination may be filed by a person on their own behalf or on behalf of another person or group of people within six months of the occurrence or when facts became known. Complaints regarding a special needs student or pupil fees may be filed within 12 months of the occurrence. Complaints regarding Pupil Fees may be filed anonymously and with the principal. If a complaint regarding pupil fees

is valid, then the parents are due full reimbursement. Staff has been trained to deal with these types of complaints.

Those complaining (Complainants) are protected from retaliation and their identities are confidential when related to discrimination. Staff dealing with complaints are knowledgeable about the laws and programs they are investigating. The complaint may be dismissed if complainant obstructs or does not provide all information. If the District acts in the same manner, the finding may be affected.

1. Complaints made under this procedure shall be directed to the Uniform Complaint Officer who is responsible for processing the claims. A complaint under the Uniform Complaint Procedure should be completed within 60 days from the receipt of the complaint. The Superintendent and complainant may agree in writing to extend the timeline.
2. You may contact the Uniform Complaint Procedure Officer to obtain a copy of the complaint process.
3. You may choose to have your complaint mediated.
4. There shall be an investigative meeting after receiving the complaint.
5. The compliance officer shall send a written report about the investigation and decision. There are then five days to appeal to the Board of Education.
6. If you are not satisfied with the results, you then have 15 days to appeal to the California Department of Education. The appeal must include a copy of the locally filed complaint and a copy of the district's decision.
7. There is nothing in this process to preclude a complainant from pursuing available civil law remedies outside of the district's complaint procedures. Such remedies may include mediation, attorneys, and legal remedies. Civil law remedies may include, but are not limited to: injunctions and restraining orders.

For discrimination complaints, 60 days must elapse from the time an appeal is filed with CDE before pursuing civil remedies except for an injunction. Complaints may also be forwarded to appropriate state or federal agencies in the following cases:
