Jamestown School District's 2024–25 Proposition 28 Arts and Music Education Program reflects a strong commitment to equity, creativity, and community voice. Based on meaningful input from staff, families, and stakeholders, the district designed a plan that expands access to quality instruction in music, visual arts, drama, and enrichment. With \$127,703 in Prop 28 funding, the district will invest in two full-time credentialed teachers—one for music (grades 4–8) and one for art (TK–8)—ensuring all students receive direct instruction from qualified staff. To enhance hands-on learning, the district will purchase instruments, including Orff sets, ukuleles, timpani, and baritone saxophones, along with drama equipment such as microphones, curtains, and costumes for school productions. Middle school students will benefit from a new digital photography course featuring cameras, editing software, and presentation tools. Additionally, the Tuolumne County Arts Alliance will provide after-school VAPA programming for TK–6 students through a funded partnership. Administrative oversight will be provided by the Director of Business Services to ensure compliance and fiscal accountability. This plan supports creativity, engagement, and social-emotional growth while aligning with broader LCAP goals. Through Proposition 28, Jamestown is creating rich, inclusive arts experiences that inspire learning and student expression across all grade levels.
