## **Interdistrict Attendance Permits**

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student's attendance outside his/her district may be issued upon approval of both the district of residence and the district of proposed attendance.

The district shall post on its web site the procedures and timelines for requesting an interdistrict transfer permit, including a link to BP 5117 - Interdistrict Attendance. The posted information shall include, but is not limited to: (Education Code 46600.1, 46600.2)

- 1. The date upon which the district will begin accepting and processing interdistrict transfer requests for the following school year
- 2. The reasons for which the district may approve or deny a request, and any information or documents that must be submitted as supporting evidence
- 3. If applicable, the process and timelines by which a denial of a request may be appealed within the district before the district renders a final decision
- 4. A statement that failure of a parent/guardian to meet any timelines established by the district shall be deemed an abandonment of the request
- 5. Applicable timelines for processing a request, including the following statements:
- a. For an interdistrict transfer request received by the district 15 or fewer calendar days before the commencement of instruction in the school year for which the transfer is sought, the district will notify the parent/guardian of its final decision within 30 calendar days from the date the request was received.
- b. For an interdistrict transfer request received by the district more than 15 days before the commencement of instruction in the school year for which the interdistrict transfer is sought, the district will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction in the school year for which transfer is sought.
- 6. The conditions under which an existing interdistrict transfer permit may be revoked or rescinded

Priority for interdistrict attendance shall be given to a student who has been determined, through an investigation by either the district of residence or district of proposed enrollment, to be a victim of an act of bullying, as defined in Education Code 48900(r), committed by a student of the district of residence. (Education Code 46600)

```
(cf. <u>1312.3</u> - Uniform Complaint Procedures)
(cf. <u>5131.2</u> - Bullying)
```

Until the district is at maximum capacity, the district shall accept any student whose interdistrict transfer application is based on being the victim of an act of bullying or a child of an active duty military parent/guardian. The district shall ensure that such students are admitted through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based on academic or athletic performance, physical condition, proficiency in English, family income, or any of the individual characteristics set forth in Education Code <u>220</u>, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status. (Education Code <u>46600</u>)

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons:

2. To meet the child care needs of the student. Such students may be allowed to continue to attend district schools only as long as they continue to use a child care provider within district boundaries.

```
(cf. <u>5148</u> - Child Care and Development)
```

3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

```
(cf. <u>6159</u> - Individualized Education Program)
```

- 3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.
- 4. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.
- 5. To allow the student to remain with a class graduating that year.
- 6. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.
- 7. When the student will be living out of the district for one year or less.
- 8. When there is valid interest in a particular educational program not offered in the district of residence.
- 10. To provide a change in school environment for reasons of personal and social adjustment.
- 11. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence

```
(cf. 5113.1 - Chronic Absence and Truancy)
```

(cf. <u>5113.12</u> - District School Attendance Review Board)

An interdistrict attendance permit shall not exceed a term of five years. Each permit shall stipulate the terms and conditions established by both districts under which interdistrict attendance shall be permitted, denied, or revoked, and any standards for reapplication. (Education Code 46600)

Once a student is enrolled in a school, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the permit. (Education Code 46600)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, if school facilities are overcrowded at the relevant grade level or based on other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

If the transfer request is for a school year that begins within 15 calendar days of the receipt of the request, the Superintendent or designee shall notify the parent/guardian of the final decision within 30 calendar days of receiving the request. If the transfer request is for a school year that begins more than 15 calendar days after the receipt of the request, the parent/guardian shall be notified of the final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction during that school year. (Education Code 46600.2)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student in writing, who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

All notices to parents/guardians regarding the district's decision on any request for interdistrict transfer shall conform to the translation requirements of Education Code 48985, and may be provided by regular mail, electronic format if the parent/guardian provides an email address, or by any other method normally used to communicate with parents/guardians in writing. (Education Code 46600.2)

(cf. 5145.6-Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months provided the district is the district of proposed enrollment. If the decision has not been rendered by the conclusion of two school months and the districts or County Board is still operating within the prescribed timelines, the student shall not be allowed to continue attending the district school to which the student was provisionally admitted. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

```
(cf. <u>5119</u> - Students Expelled from Other Districts)
```

(cf. <u>5144.1</u> - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. (Education Code 46600)
